Sir:

In reply to the Examiner's Statement of Reasons for Allowance provided with the Notice of Allowability dated April 4, 2005, Applicants respectfully submit the following comments.

REMARKS

Claims 1-4 remain pending and stand allowed. Applicants appreciate the Examiner's indication that all claims in this application are allowed.

In the Reasons for Allowance of claims 1-4 set forth on page 2 of the Notice of Allowability, the Examiner focuses on particular features of the claims, Applicants wish to point out that the entire contents of each of the claims, considered as a whole,

defines each of the allowable claims, not just the features cited by the Examiner. In other words, it is the claimed combination of features that defines each of the allowed claims, not just individual features.

Applicants merely submit these remarks in an effort to clarify the record in the present application.
